

Level 6 Diploma in Healthcare Management

School of Business and Training Center offers Level 6 Diploma in Healthcare Management is a 120-credit Ofqual-regulated qualification and is the equivalent level to the third year of a bachelor's degree. This qualification has been designed for learners who are seeking to progress to higher education to take an MBA programme in an area of healthcare management. This qualification aims to develop learners understanding of management and to develop key management skills. As well as the Extended Diploma option (120-credit) there is a range of certificates and awards available.

At a glance

- Progression to a masters degree at a university partner
- Advanced learner loans available in the UK
- The Extended Diploma is 1,200 learning hours, usually studied over an academic year
- Graded 'Achieved' or 'Not achieved'
- Designed with support from universities
- Can be delivered in the classroom, by distance or by blended learning.

Units

There are three different sized qualifications. If you study the 120-credit diploma then you must study all 5 mandatory units and select 3 or 4 optional units.
